[Previous price of Copper Billet - Rs 796366/- Ton]

Note:

- 1. The above price guideline with new mechanism is declared on basis fortnightly LME CSP average from 16th December, 2021 to 31st December, 2021. This new policy will be followed in future until further notice.
- 2. The above is the basic formula given as a guideline by BME without any prejudice whatsoever for the smooth functioning of the trade and industry.
- 3. As the contract for sale and purchase will be entered into directly by the concerned parties, the deliveries and all other expenses will have to be worked out mutually between concerned parties, Plus GST extra as applicable.
- 4. The prices worked by BME will serve as a benchmark guideline for fulfilling contracts and BME will not be responsible for any financial liability legally or otherwise.
- 5. Since Trading of Wire Bar is discontinued in LME, there is shortage of LME approved quality wire bars in international market. However the price published here is only as a benchmark. Members are requested to please take note of it.
- 6. Any change in Sterlite Industries / Birla Copper Price policy can be considered.
- 7. The above price is on advance payment basis.
